

Coherent Announces Date of Its Communications Market Overview Webcast

September 6, 2023

PITTSBURGH, Sept. 6, 2023 (GLOBE NEWSWIRE) – Coherent Corp. (NYSE: COHR), a global leader in materials, networking, and lasers, announced today that the company will hold a Communications Market Overview webcast for investors, equity analysts, and the public on Tuesday, September 19, 2023, at 10:30 a.m. ET. The webcast will address both Coherent's data communications and telecommunications business units and will include discussion of the opportunity presented by AI and how Coherent is positioned to address this exciting and rapidly emerging new market opportunity. Presenting executives include:

- Dr. Sanjai Parthasarathi, Chief Marketing Officer
- Dr. Lee Xu, Executive Vice President, Datacom Transceivers
- Dr. Beck Mason, Executive Vice President, Telecommunications
- Dr. Julie Sheridan Eng, Chief Technology Officer

Individuals wishing to view the webcast can access the event at the company's website by visiting coherent.com/company/investor-relations/financial-webcasts or via this [link](#). The event will be recorded, and a replay will be available for a limited time.
